

My Master Task List

In general, what goals and tasks do you want to accomplish at some point in your lifetime?

These can be either short-term or long-term goals; there are no time constraints. Think deeply about what is important to you, and what will have the biggest impact on your life and your success.

Use the present tense and a positive voice; write your goals as though a year has passed and they are now a reality.

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____
7. _____
8. _____
9. _____
10. _____
